

## **Bold** **by the bold Scribes**

Piratedom!

Bold is an undercurrent uprising of creativity and community  
Believing everyone has the capacity for human connection  
A container of equals, opportunities and all the spaces in between

Bold is an undercurrent uprising of creativity and community  
Sharing stories of dementia activists for the world to hear  
Believing everyone has the capacity for human connection  
A safe space to be our best selves

Bold is sharing stories of dementia activists for the world to hear  
Loving, embracing, a relaxing warm bath of ideas and creativity  
A safe space to be our best selves  
Being bold isn't about being all things to all people
